Try to play 'Frère Jacques' in the key of Bb major. Here are the first few notes to start you off.

NATURAL MINORS one octave

G natural minor

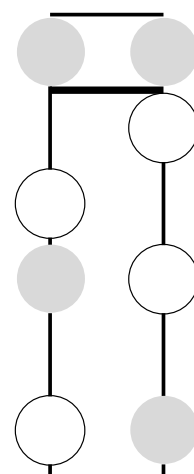

D natural minor

Work out how to play the scale of A natural minor. Begin on the open A string and follow the same finger pattern as G and D natural minor.

Choose one of these natural minor scales and fill in the notes of your chosen scale on the chart to the right.

You'll find the notes for the minor arpeggios on the following pages: D minor p. 20, A minor p. 22, G minor p. 24.
